WHEN TO GO

Queensland is a stunning destination year round. Southern Queensland has hot summers, perfect for spending all day in the water. Winter brings beautiful days with clear skies and cooler nights. The shoulder seasons of April to May and October to November are warm and pleasant for beach days.

Escape to Tropical North Queensland from April to October when days are warm and dry with low humidity. It's also a great time of year to take advantage of the reef, since the risk of stingers is minimal. To see flowing waterfalls and full-to-the-brim lakes, plan your holiday from November to March. The humidity is higher, crowds are lower, but the action is still in full swing.

GETTING AROUND

BY CAR

Take the time to explore and discover as you make your way through Queensland by road. See pages 10 and 11 for car hire options.

BY RAIL

Enjoy Queensland's coast in comfort aboard the Tilt Train from Brisbane to Rockhampton, or the Spirit of Queensland from Brisbane to Cairns. The Spirit of the Outback services regions between Brisbane and Longreach. Experience Gulf Savannah country aboard the Gulflander. Refer to our Queensland Rail Holidays brochure for more great rail ideas.

ENVIRONMENTAL MANAGEMENT CHARGE

Many tours to the Great Barrier Reef incur an Environmental Management Charge, which is not included in the listed "From" price. The Environmental Management Charge is to be paid by you, to the tour operator, on the day of the tour. This charge is subject to change at any time.

WATER SAFETY

Australia has some of the world's best beaches, however care and caution should be exercised at all times. Please remember to swim between the red and yellow flags and listen to instructions from lifeguards. Marine stingers are present in coastal waters from November to May, so heed warning signs and instructions. Many beaches have netted enclosures for safe swimming.

SCHOOL LEAVERS CELEBRATION

Each year from mid-November to mid-December, the Gold Coast, Sunshine Coast and Airlie Beach host many school leaver celebrations. During this period, bonds and special conditions may apply for some properties. Check with your travel agent at the time of booking.

HOW TO BOOK

Contact your ATIA travel agent and request a reservation. All verbal quotes provided are an estimate only and subject to change until confirmed in writing.

PRICES & CONDITIONS

This brochure was produced on 23 October 2025. Unless otherwise stated, prices are in Australian dollars and include GST where applicable. All prices are subject to availability, subject to change and can be withdrawn or varied without notice. Prices are to be used as a guide only. Accommodation prices are based on the lowest room category in low season. All other prices are based on travel in low season. Some prices are based on dynamic rates, which means the price may be higher or lower than the advertised price if the price has been varied by the supplier after this brochure was printed. Price changes may occur by reason of matters outside our control which increase the cost of the Product or Service. Such factors include (without limitation) adverse currency fluctuations, fuel surcharges, or increase to taxes. Surcharges and minimum stays may apply due to demand, Christmas and New Year's Eve, school and public holidays, special events and other circumstances. All prices are the lowest available prices at the time of print and are a guide only. Please check all prices, availability, fees, conditions and information with your travel agent before booking.

If we must change any part of your booking for reasons beyond our control, for example, an Accommodation Supplier overbooks accommodation, or if there is an increase in taxes or Supplier charges, we will notify you. If any such changes result in your holiday costing more or otherwise being materially different from that originally booked, you may cancel the booking and we will refund any monies already paid less any charges levied by Suppliers.

PRICES DO NOT INCLUDE

Anything not specifically indicated as being an inclusion.

OMISSIONS & ERRORS

While every effort is made to ensure the accuracy and currency of the information in the brochures, errors or omissions may occur. All errors and omissions identified post the date of publication are notified to our retail partners to advise you. Please check with your agent for all up-to-date corrections, including prices and inclusions.

DEPOSITS & FINAL PAYMENTS

Deposit

A minimum non-refundable deposit of \$55 per person is payable within 7 days of confirmation of your booking. You will be notified at the time of booking if any additional deposit is required. All deposits are non-refundable for changes of mind or cancellations by you (subject to your rights under the Australian Consumer Law).

Final Payment

Final payment of your holiday cost is required no later than 30 days prior to departure or by sale end date or by the payment deadline specified in individual package conditions, whichever is earlier. Some services may require full payment at the time of booking. For bookings made less than 31 days prior to travel, full payment of holiday cost is required at the time your booking is confirmed.

Please ensure payments are made by the due dates. If this does not happen, our system will automatically cancel the booking without notice or liability to you.

Only upon payment of the full cost of your holiday do you have a final booking with the Supplier of the relevant good and/or service. In arranging your booking, Viva Holidays is acting as the agent of the Supplier of the relevant Product and at no time do you have a contract with Viva Holidays.

CREDIT & DEBIT CARD SURCHARGES

A fee will apply for payments made by debit and credit cards. Fees may vary depending on card type. Please check this fee with us or your travel agent when booking.

FEES

Amendment Fees

If you wish to change your booking prior to departure, an amendment fee of \$30 will be charged if the overall value of the booking remains the same or decreases, in addition to any fees imposed by the Supplier of each service booked.

Late Booking Fees

A fee of \$30 will be charged for all bookings made less than 7 days prior to travel.

All fees can be varied without notice.

CANCELLATIONS & REFUNDS

Prior to Final Payment

Your deposit is forfeited.

After Final Payment

There will be no refund of your deposit, in addition to any fees imposed by the Supplier, which may be up to 100% of monies paid.

After Travel

There will be no refund if you cancel your booking once travel has commenced. There will be no refund for unused services, except for OPEN DATED services where the service was not booked with the Supplier. Requests for refunds received more than 6 months after departure date will not be accepted.

Should a refund after departure be approved, a \$110 refund processing fee will apply.
